### **COVID**

Please take the time to read all of the information below and if a question has not been answered for you, or something is not clear then please just ask as these guidelines are in place to protect us all and anyone not adhering to my procedures will not be allowed back.

During government guidelines in relation to Covid-19 I will make every effort to ensure that everything I do is in conjunction with these guidelines. Therefore, I expect anyone attending any of my events to ensure they're aware of the latest information via the gov.co.uk website and that should they be suffering any symptoms, or have known to be around anyone with the symptoms to not attend any events.

### **Rules & Regulations**

- In the case of unavoidable cancellation refunds will follow once costs have been recovered
- Only dogs in the ring are to be off their lead
- Open to dogs over 15 months
- No toys are allowed in the ring unless you wish to run NFC
- No food in the ring
- Heights available are small, medium, intermediate and large – these shows are for fun and confidence building so if you would like to run your dog at one height lower for competition (excluding small) then you may. You may jump lower if you wish but this will be classed as an NFC run and for a clear round only.
- No squeaky toys around the ring
- No bitches in season

- No harsh handling, you will be asked to leave the show
- You must clear up after dogs and take waste home as there are no waste facilities at this venue
- Timing will be manual.
- No running orders you will need to run at your entered height, jumps will not be changed once they have moved to the next height

## **HOW THE SHOW WILL WORK**

Everyone is to maintain social distancing unless for a specific reason such as equipment moving. Should anyone need to be in proximity of another then PPE/hand sanitiser must be used.

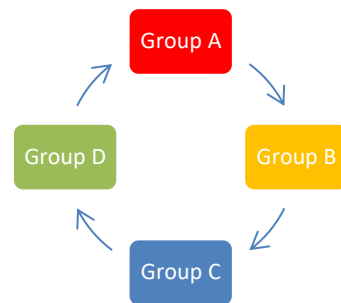

There will be a ONE-WAY system in place – KEEP LEFT and the Gallery will be OUT OF BOUNDS

There will only be a limited amount of space available in the arena for those helping or wishing to stay inside, these will be prioritised for those running multiple dogs, helping and any remaining will be pre-book only and on a first come first served basis. If you do not book a space, you can only enter the arena when walking a course or running your dog.

There will be four height **GROUPS**

- A. **Small**
- B. **Medium**
- C. **Intermediate**
- D. **Large**

Essentially the show will work around a cycle

Group **A** will walk the course then get their dogs

Group **B** will walk the course and then leave the arena

Group **A** will run the course then leave the arena as soon as they finish

As Group **A** leave the arena and Group **C** can walk the course and leave the arena and Group **B** can get their dogs ready to run

Group **B** will run the course then leave the arena as soon as they finish

As Group **B** leave Group **D** can walk the course and leave the arena and Group **C** can get their dogs ready to run

Group **C** will run the course then leave the arena as soon as they finish

Group **D** can get their dogs ready to run, run the course then leave the arena as soon as they finish

1. Walk Course – face coverings should be worn
2. Prepare your dog and yourself
3. Queue & run dog (wear face covering while queuing)
4. Leave arena for rest

Time in the arena should be restricted as much as possible.

Those staying within the arena for any length of time must wear a face covering, this includes helping to set up equipment, pack it down, walking the course, queuing. You will be asked to put, leave or throw your lead to the exit point as we do not want to handle everyone's items.

**The main thing for running events like these is that EVERYONE sticks to government guidelines, anyone found to be mingling will be asked to leave and will not be permitted to return to any future events and will forfeit their entry fees.**

**We are all in this together, lets be safe and sensible so these events can continue in the future**
