

Basic Behaviours Progress Record

Score the below behaviours out of five

(one being that your dog does not know the behaviour, three being your dog will do the behaviour around a little excitement, five being your dog will do the behaviour around a lot of excitement)

If you have more than one dog complete this for each dog

Complete at the start of your training

	1	2	3	4	5
Sit					
Down					
Recall					
Reflex to Name					
Hand Touch					
Eye Contact					
Settle					
Speak					

Complete at the end of your training

	1	2	3	4	5
Sit					
Down					
Recall					
Reflex to Name					
Hand Touch					
Eye Contact					
Settle					
Speak					

You could do this monthly, quarterly etc, whatever suits you and your dog, and you can always make your own and add your own behaviours to the list. Keeping a record will help you to know what needs more training and what does not.
